Mr Chapman,

Dear Sir

I will have your wood
drawn by the time you
receive this. I was laid
up six weeks last winter
with my leg. the sciatic
nerve was contracted and
I was obliged to have it
opened & the nerve stretched
in consequence of which
I have not been able to get
you but twenty cords
the snow went before I
could get out what I had

promised, would it be
convenient for you to
send me the (\$40.00) forty
dollars for the wood by
return mail, as I am
badly in need of some
money. Yours truly.
W. S. Barnett.
